A collection of various glass bottles and vessels, including a large bottle labeled 6013, a tall bottle labeled 6014, and a long bottle labeled 6015, all containing liquids and reflecting on a surface.

A collection of various glass bottles and vessels, including a large bottle labeled 6013, a tall bottle labeled 6014, and a long bottle labeled 6015, all containing liquids and reflecting on a surface. The bottles are made of clear or colored glass and contain liquids of different colors (yellow, blue, red). The background is a solid light blue. The bottles are arranged on a dark, reflective surface, creating clear reflections. The labels 6013, 6014, and 6015 are positioned near their respective bottles.

A collection of various glass bottles and vessels, including a large bottle labeled 6013, a tall bottle labeled 6014, and a long bottle labeled 6015, all containing liquids of different colors (yellow, blue, red). The bottles are arranged on a reflective surface against a blue background.
